

## ISG - INTERNATIONAL

27<sup>th</sup> November 2023

To,  
Parents of students from KG-1 to Grade 12

Dear Parents,

There is a Suggestion Box kept in the portico. If you have any suggestions to be brought to the notice of the school authorities, you may please drop in your suggestion in this box.

While writing your suggestions, kindly mention your name as well as your ward's class and section so that we know you are a parent of this school. Anonymous suggestions will not be attended to.

**Please note this is not a complaint box but a suggestion box** for parents to write in if they do not want to write directly to the Principal or Vice Principal. However, you are always welcome to write in to me or the Vice Principal with your suggestions.

With best wishes

Principal
